STRATEGIC FIT

Competency: Do we have specific background/ experience in this area? Do we have a unique implementation strategy or approach?		
Funding Source: Have we worked for this funding source in the past and do we know this funding source well? Do we understand their proposal process?		
Does the opportunity fit within our overall strategy?		
Comments:		

PROBABILITY OF WINNING

What They've Funded: Has this funding source funded similar projects in the past? If so where and for how much? Is our program similar/different/better than those already funded?
